SATNAV

If you are using SATNAV equipment to find us at TQ2 5NY, you may find it takes you via Warren Road and Cary Road, up to St. Lukes Rd North and South (beyond The Hillcroft). We can't explain why this is, but suggest SATNAV users should call on the number below if the SATNAV confirms destination is reached, yet you can't find us.

Parking is available at the rear of the hotel, or in St. Lukes Road (unlimited free parking where parking is permitted). We suggest that you stop at the front door on arrival to drop your bags, before parking your car. We can then check that there is space available for you in the car park.

If you have problems locating us, please call us on 01803-297247.
